Honoring **OUR LEGACY** Inspiring Our Future

For 50 years, the **Kiwanis Club of Little Havana** has been more than an organization—we have been a heartbeat in Miami. From uplifting children through scholarships and summer programs, to empowering families with school supplies and community support, to celebrating culture with world-renowned events like Carnaval Miami, our mission has always been clear: ***to serve with purpose.***

This milestone anniversary is not just a celebration of our history—it is a call to action for the future. The **50th Anniversary Gala** will be a night of elegance, unity, and impact, where sponsors and community leaders come together to continue a legacy of service.

By supporting this unforgettable evening, you are not only honoring half a century of dedication—you are directly investing in the education, growth, and well-being of the next generation. Together, we can ensure the Kiwanis Club of Little Havana continues to make a difference for decades to come.
